Declaration of information in support of Indivior's commitment to reporting transparent transfers of value to healthcare professionals, healthcare organisations and patient organisations.
We declare that the information stated below has been prepared in accordance with the requirements of the clauses according to local rules.
This is a true and complete statement reflecting all payments made in the Financial Year 2017 covering the months of January to December 2017.

Healthcare professional (HCP)

Any natural person that is a member of the medical, dental, pharmacy or nursing professions or any other person who, in the course of his or her professional activities, may prescribe, purchase, supply, recommend or administer a medicinal product.
For the purposes of disclosure, the company regards all employees of national health care services as HCPs regardless of their professional status.
In addition, the company regards all registered or qualified healthcare professionals as within the scope of disclosure regardless of their employment status.
Thus retired HCPs fall within scope.
Where HCPs are employed directly and exclusively by the company their salary and benefits are outside the scope of disclosure.
Part-time employees will fall within the scope of disclosure for all payments made by the company, including salary.
